2012 General Election 11/06/2012	
Constitutional Amendment	
<p>Upon approval by the voters, the proposed amendment, which takes effect on January 9, 2013, adds a new section to the General Provisions Article of the Illinois Constitution. The new section would require a three-fifths majority vote of each chamber of the General Assembly, or the governing body of a unit of local government, school district, or pension or retirement system, in order to increase a benefit under any public pension or retirement system. At the general election to be held on November 6, 2012, you will be called upon to decide whether the proposed amendment should become part of the Illinois Constitution. If you believe the Illinois Constitution should be amended to require a three-fifths majority vote in order to increase a benefit under any public pension or retirement system, you should vote "YES" on the question. If you believe the Illinois Constitution should not be amended to require a three-fifths majority vote in order to increase a benefit under any public pension or retirement system, you should vote "NO" on the question. Three-fifths of those voting on the question or a majority of those voting in the election must vote "YES" in order for the amendment to become effective on January 9, 2013.</p>
